### **Letter of Satisfaction – Pomegranite**

The Open Society Foundation for South Africa (OSF-SA) has been utilising the services of Pomegranite since 2015, which provides a range services including, website redevelopment and management, content development, communications, graphic design and managing OSF-SA's social media accounts. Presently, Pomegranite is redesigning the OSF-SA website.

Pomegranite are responsive, flexible, creative and always professional and we enjoy a positive relationship. We have no hesitation in recommending the services of Pomegranite.

Please do not hesitate to contact me should you require any further information.

Sincerely,

Alan Wallis

**Manager: Information, Expression and Accountability Programme  
Lead, OSF-SA Website Committee**
